Traffic Safety Plan

Please take time to review this School Traffic Safety Plan and consider how your actions can protect our children. For the safety of all our children, we ask that you

NEVER:

- Enter or park in marked No Parking/ No Stopping areas
- Stop in traffic lanes (Remember: there are others behind you)
- Block Set Down lanes in the morning (park in designated areas if needed)
 - Block traffic unnecessarily
- Reverse or U-Turn in front of the school – you could hit a child!
- Do not stop or park on the N15, or other dangerous locations, when dropping off or picking up children (average car speed is 80km/hr)
 - Put others at risk for the sake of convenience

ALWAYS:

- Follow the school traffic flow shown on the Safety Plan diagram
 - Obey the one-way school traffic system
 - Park in designated areas only
- Use designated Long Term Parking Areas if you need to accompany your child to/from school gates
 - Be considerate of others
- Drive safely when picking up and dropping off your child/children, and especially during times of decreased visibility
 - Keep an eye out for pedestrians

Always Buckle Up and Use Child Car Seats – it's the law.

Remember, Safety is Everyone's responsibility. Please do YOUR part to ensure our children, and others, remain safe.

Thank you

Rathcormac National School Board of Management, Staff and Parents' Association
